### STATE OF VERMONT, ADDISON COUNTY, SS.

ASA HEMENWAY'S ADMINISTRATOR, No. 322, In Chancery

NELLIE R. BARBOUR Whereas Fred C. Crane of Bridport in said County, Administrator of the Estate of Asa Hemenway, late of Middlebury in said County of Addison, deceased, has brought his bill of foreclosure to the Court of Chancery within and for said Addison County against Nellie R. Barbour of Philadelphia in the State of Pennsylvania therein setting forth in substance:

That on the fifth day of January, 1891, one Nelson P. Barbour then of Bridport aforesaid, executed and delivered to the said Hemenway a mortgage deed of certain lands situated in said Bridport and described as follows, viz:

"The home farm of the late Charles N. Hayward containing 120 acres, more or less, and being the same premises conveyed to me by warranty deed dated Feb. 28, 1887, by Charles A. Eldredge, Executor of the last will and testament of the said Chas. N. Hayward, recorded in the Town Clerk's office in Bridport in Vol. 16, pages 267 and 268; also the same premises conveyed to me by warranty deed dated Feb. 28, 1887, by Susan E. Hayward and Emma C. H. That said mortgage was made conditional for the payment of certain promissory notes of various denominations, all executed by the said Barbour in favor of the said Hemenway and all bearing date January 1, 1891; that on the first day of January, 1903, two other notes were given by the said Barbour in favor of said Hemenway in renewal of the notes of January 1, 1891, the notes secured by said mortgage deed; that five acres of said mortgaged premises were released to the said Barbour by the said Hemenway on Nov. 22, 1907; that the said Nelson P. Barbour on the 10th day of April, 1915, conveyed the above described premises to Nellie R. Barbour, the petitioner named herein.

And said petition further states that the renewal notes above referred to have not been paid according to the effect of the same and prays that the equity of redemption of the Nellie R. Barbour in the premises herein described may be foreclosed according to law.

And it appearing that the residence of the said Nellie R. Barbour is without this State, so that said petition cannot be served upon her, therefore,

It is ordered that she be summoned to appear and answer said petition on or before the 30th day of November, A. D. 1915, by the publication of the substance of said petition together with this order in the Middlebury Register, a public newspaper published at Middlebury in said County of Addison, three weeks successively the last of which publications to be at least twenty days prior to the said 30th day of November, A. ### COLLEGE NOTES.

The third Glee club rehearsal was held Thursday night in the Hemicycle.

There was a smoker Friday evening, October 22, in the McCullough Gymnasium.

Miss Marguerite E. Heaphy, '17, has returned from Smith college to resume her studies here.

Clifford T. Day, '15, and Guy C. Hendry, '15, were in town for a short time the early part of the week.

A big social for the college students is planned for Friday night, the 29th, at the Methodist church.

The second informal college dance of the year was held in the McCullough Gymnasium Saturday night the 23rd. About seventy-five couples attended.

A list of freshman men is posted each day to play either soccer football or tennis for an hour, as a part of the required physical work under the direction of Coach Holmes.

The first meeting of the Varsity debating men was held in the chapel Thursday night, the 28th. The freshmen who wished to try out for a freshmen debating team were asked to be present at the same time.

At an interesting meeting of the freshmen class on the 20th the following officers were elected: President, F. C. Brigham; vice-president, Miss Ruth Clarke; secretary, Miss Anna Clarke; treasurer, H. E. Jenne.

The physical examination of the men of the freshmen class, conducted by Coach Holmes in his office in the gymnasium, is progressing rapidly. A list of eight or ten men has been posted each day and each man is given some fifteen minutes.

The second meeting of the Glee club was held Thursday night, the 22nd, in the Hemicycle at 7:00. The roll was called and then as the regular music had not come some last year's music was tried. Professor Cunningham directed the singing.

Painter Hall has long held the offices of the Dean, assistant Dean and Registrar. The first office to be opened in Starr Hall has just made its appearance. The "Campus" board has taken rooms on the lower floor in north Starr and will make them their headquarters for the year.

Announcement has been made that the Young Men's Christian Association intends to have fine new quarters in the Battell Block. With interest revived among the college and town fellows, the Young Men's Christian Association should have a successful winter. It is hoped there can be some basket ball games arranged this year, as there were last.

The cross country run took place Saturday, the 23rd. The course was from the gymnasium around Chipman Hill and back to the Registrar office. The results were Jones, '19, first; Cullen, '19, second; and Mitchell, '17, third. The prizes were a pair of moccasins by F. A. Evans, a box of collars, Ives & Shambo, and three neckties, Hanks & Chilson.

Mr. Dodge, a tree expert from a firm in Wenham, Mass., has been at work on the campus. Several trees there have started to decay at the base and Mr. Dodge used a special method which he claims will preserve them for a number of years. He treats the open places with a creosote solution, after cutting away most of the decayed part, and then seals up the tree with cement. Mr. Dodge has done a great deal of this work and is especially recommended from Dartmouth.

The following men were pledged on Pledge day: Delta Kappa Epsilon—Bowers, Douglas, Bolivar, Reuther, Cheesman, Morton and Tatro. Chi Psi—Canty, Jones, Brigham, Stearns, '18, Aldrich, Salgado and Sanford. Delta Sigma—Axt, Hamilton, Morgan, Plumb, Randall, '16. At this time a number of announcements were made in regard to the plans of the choir. A reserve list is to be kept and opportunity may be given later for others to sing in the choir.

A new event has been added to the series of contests between the sophomores and freshmen annually. The athletic association has introduced a rope pull, which was held this year between the halves of the New Hampshire State foot ball game on Porter Field October 23. Twenty men were picked from each class to contest. The men were lined up and two attempts made to have the pull, but each time the rope broke causing much laughter from the stands. The first time each side thought they were pulling the other side, and

the sophomores ran clear across the field dragging one of their own men, Harris, who had become tangled in the rope.

The freshman class had a picture taken of their number by Warner Science Hall Thursday, the 28th.

It has been decided that since it seemed to be more convenient and suitable to all concerned the hour of the College vesper service would be 5 o'clock p. m., instead of changing to 4 o'clock as announced some time ago.

Two Children Had Croup. The two children of J. W. Nix, merchant, Cleveland, Ga., had croup last winter. One was a boy of 8, the other a girl of 8 years. Mr. Nix writes: "Both got so choked up they could hardly breathe and couldn't talk. I gave them Foley's Honey and Tar and nothing else and it entirely cured them." This reliable medicine should be in every home for it gives immediate relief from colds, coughs and croup, heals raw inflamed throat and loosens phlegm. Frost's Pharmacy—adv.
